

### **Social Responsibility Policy**

**SUPERNOVA INTERTRANS Kft.** has set itself the goal of satisfying the needs of its partners (customers) with modern, high-quality service on the domestic market, in the ever more complete implementation of the recommendations of "social commitment" .

In order to achieve this goal, we give priority to Social Responsibility:

- Accountability, transparency, ethical behavior, consideration of the interests of interested parties, legal order and human rights,
- We pay special attention to the identification of interested parties,
- Target-oriented organizational management, human rights requirements, expected labor practices, commitment to the environment, fair operating practices, community participation and development should prevail during our operations and services.
- For the integration within our company, we develop appropriate communication, with which we want to increase the credibility of our company, and we make our subject-related measures, their review and improvement, regular.
- We constantly analyze the results of our voluntary initiatives and the possibility of new undertakings.
- With our partners, subcontractors, and suppliers We explain our aspirations,
- To preserve the existing positives, to correct our mistakes as precisely as possible,
- To make our employees interested in doing their work as demanding as possible.

The company management commits itself to the realization of the set goal and takes an active role

#### **MSZ ISO 26000:2011 standard**

to build, operate, and certify a system that meets its requirements by an independent party, and expects this commitment from all employees of the Company.

The efficiency of the system's operation and the satisfaction of the interested parties are constantly checked and evaluated, and - if necessary - we take corrective measures, thereby ensuring the continuous further development of the system.

Budapest, 04.02.2022.
